

## Player Development Programs 2019

### Leagues

**PGA Junior League 13U:** For boys and girls 7-13 years of age. This is a developmental league, but also competitive as it consists of a post season All Star Match (or matches). The regular season will run from April 29-July 8. All practice and play will be at The Legends. Cost is \$200. This League is full for the summer 2019 season—however, we will have a fall league this year! Look for registration to start in June.

**PGA Junior League 6U:** For boys and girls ages 6 & Under. The season will consist of 3 pre-season practices and 4 matches. This is purely a developmental league that will introduce the children to the game in a team format. Parent involvement is required during practices and matches. Matches will be 3 holes. The first practice is Saturday, May 11 from 1pm-2pm. All practices and matches will be on Saturdays during that time. Cost \$185.

**Johnson County Golf League:** This league is geared towards middle school and high school golfers that play on a school team and are looking for a weekly competition alongside their peers. Play will be on Wednesdays starting June 5 at 5:30 and running for 6 weeks (no play on July 3rd). The format is individual stroke play and the cost is \$10 per week for all participants. Each week players will receive a small bucket of range balls and PGA Head Professional, Crystal Morse will give a 30 minute short game clinic from 4:30-5:00 each week for those interested.

---

**Group Instruction:** Most Group Instruction will use Operation 36 programming. That is a long term player development model with the end goal for juniors to be able to shoot 36 or better from their respective tees.

### Spring 2019 Events
