Membership/Events

From the Pro

By PGA Head Professional, Crystal Morse

We want to thank all of our members and customers for a wonderful 2019 season!

As I am typing this, we are enjoying a beautiful November day with many happy golfers on the course! We could not be more excited to be rolling out our 27th Year Anniversary Membership offering and to keep The Legends as your go-to place to play in 2020.

Enjoy the Newsletter and please feel free to reach out to me with any questions, thank you!

Creek Nine Bunker Renovation

Those of you that have played the Creek Nine in the past couple of months are aware of our bunker renovation project.

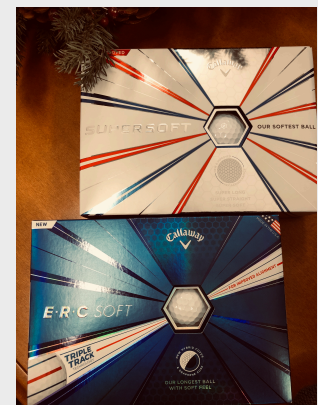

We have dug up all of the drainage lines in the bunkers and replaced all of the drain pipe and pea gravel. New sand is then added to the bunkers. This is a huge improvement to the Creek Nine. All of the digging is completed and we have yet to put the drain tile in Holes 4,5, 6 and 7. The last part of the project is installing the new bunker sand.

Winter Golf Tips

Golf Balls

You can lose 5-10 yards of distance in colder temperatures just by using the wrong golf ball! Consider using a lower compression golf ball that will allow you to generate more velocity off the club face and make up for that loss in yardage. My recommendation would be the Callaway Supersoft or the Callaway ERC Soft!

Club Up and Carry Handwarmers!

Not only do you lose some distance in colder weather, but you are likely to have limited flexibility due to layered clothes and your muscles being less limber than in the warm, summer months. If you usually hit an 8 iron 140, club up to a 7 iron to make sure you get to the green! And don't forget to purchase hand warmers to keep in your pocket before you tee it up!

New Construction

The Morse Golf Academy

By Jim Morse, PGA Director of Instruction at The Legends

As fall progresses and winter looms, I feel like it is a great time for golfers to continue to improve, if they choose to do so. If you have been out at The Legends the past couple of weeks, you hopefully have noticed a new addition to an already incredible facility that is specifically being built for your offseason needs. The Morse Golf Academy, LLC @ The Legends Golf Club is going to fulfill your instructional, club fitting and practice needs when Mother Nature may not be so cooperative in letting you do so outdoors! Yes, everything from full swing to short game and putting will be available to help keep you sharp in the offseason. Our 3,200 square foot instructional facility will include two private instruction rooms that measure 500 square feet each as well as a private 500 square foot Callaway Golf Fitting Studio. Each of these three rooms will be outfitted with Foresight Sports GC Quad Launch Monitors to provide ball and club data as well as projectors and impact screens to give the most accurate ball flight simulation for an outstanding indoor experience! The instruction rooms will also include the best in HD video equipment from JC Video and will make for a superior learning and improving experience! SYN Lawn, providers of the turf that renowned short game expert Dave Pelz has in his own back yard, will also be building a generous size putting green in the middle of the Academy. I anticipate numerous questions so please don't hesitate to contact me via email or cell phone, as I am anxious to answer any questions that you may have. As the construction of the Morse Golf Academy progresses, we will be sure to give you meaningful updates. Lesson and Practice pricing will be available in January of 2020.

Junior Golf at The Legends

If you do not have your Junior in one of our Junior Programs - 2020 is the year to get started! Here are some programs that we will be offering and with the addition of the Morse Golf Academy, you can enjoy year-round instruction and programming!

Summer PGA Jr League: We have a Summer League for ages 7-13 and also a Pee Wee League for the 6U age group.

Fall PGA Jr Rec League: This is a Rec League for any golfer 13 & Under who wants to enjoy golf as a fall sport!

Johnson County Summer League: This is a co-ed program for Middle School and High School Golfers. It is developmental, yet competitive and offers local golfers to play an individual competition among the peers they will be playing with in school golf. Middle Schoolers play 6 Holes and High Schoolers play 9 Holes.

Other Programs:

First Tee Clinics

LPGA*USGA Girls Golf

Operation 36 Programming

Private Lessons

Junior Legends

Congratulations to the first female class of Junior Legends! Lauren Pagel (Center Grove HS), Ellie Beavins (Franklin HS) and Liv Parramore (Franklin HS) are Junior Members at The Legends and have proven themselves to be leaders and mentors on and off the golf course. We look forward to following their success in 2020!

Golf Teams Call The Legends Their Home Course

Recently Ted Bishop, PGA and Crystal Morse, PGA took over as co-head coaches of the Franklin Community High School Boys and Girls Golf Teams. Jim Morse, PGA has also taken over the role of Head Coach of the Boys Whiteland Golf Team.

The Legends will be home to Franklin Middle/High School Teams, Whiteland Middle/High School Teams, Franklin College and University of Indianapolis Golf Programs. We are happy to support these teams and wish them all the best in 2020!

Gain Distance this Winter - recommendation by Crystal Morse, PGA

Do you want your junior golfer to increase their swing speed this winter and gain distance going into the spring? You will want to visit superspeedgolf.com to learn more and ask Crystal about a special offer! Ten minutes a day, 3 days a week is all it takes for your junior to gain swing speed (and distance).
