Top 5 Things You Can Do To Help The Legends Golf Club:

1. Repair Your Ball Marks (and One More)

****Always fix your ball mark on the green—and one extra if you see it. A properly repaired pitch mark heals in a day or two; an unrepaired one can take weeks and affect putts for everyone.**

2. Fill Your Divots

****Use the sand/seed mix provided on carts and tee boxes to fill divots in fairways and tees. Level the sand with your foot or club so the surface is smooth for the next player.**

3. Rake Bunkers Properly

****After playing from a bunker, rake your footprints and shot area, then leave the rake where it's easy to reach but out of play (just outside the bunker, parallel to the line of play).**

4. Keep the Course Clean

****Please don't leave cigarette butts, floss picks, bottles, cans, or other trash on the course. Use the trash containers on the course, or keep it in the cart until you see one.**

5. Protect High-Traffic and Sensitive Areas

****Respect ropes, signs, and cart-path-only holes. Keep carts away from tee surrounds, green surrounds, and wet or newly sodded areas, and avoid taking shortcuts through rough and native areas.**

Success!

You may know that the Franklin Community High School Boys and Girls Golf Teams call The Legends their home course in the spring and fall!

PGA General Manager, Ted Bishop and PGA Head Professional, Crystal

Morse have been Co-Head Coaches of both programs since the fall of 2019.

The teams have reached major milestones over the last 6 years – most recently, both the boys and girls teams made it to the State Finals and had a respectable showing (Girls 6th in the State, Boys 11th in the State). This was the first time in 52 years that both teams made it to the State Finals in the same year!

This past Saturday, The Legends was host to the Indiana High School Coaches Association Hall of Fame Tournament which included 21 teams, 15 of the teams were ranked in the top 20 in the State. The Franklin Girls went into the tournament ranked 10th and had a fantastic performance finishing 4th – only being beat by the top 3 teams in the State (Zionsville, Carmel and Westfield)!

You can follow Franklin Golf on Facebook to keep up with results. If you would like to support the program, you can make a donation to The Franklin Golf Club online (see below) or stop by the golf shop and drop a check off. The money goes directly to support the Boys and Girls Golf Teams by providing uniforms, tournament practice rounds, meals, scholarships and more!
